■ rmr - mr16 recessed emergency remote

The **RMR** series of remotes feature MR16 lamp technology that are designed for superior light output. The compact, recessed design has a modern look that blends perfectly in today's retail and commercial environments. The steel gimbal lamp mounting assembly and trim plate makes lamp positioning quick and easy. The **RMR** series is supplied standard in a white finish. The operating temperature is from -22°F up to 104°F (-30°C to 40°C).
