■ SRA-PAR36 aluminum emergency remote

The **SRA** series of spun aluminum remotes are supplied standard in an attractive brushed aluminum finish with a black thermoplastic canopy. Custom colors available, please specify. The **SRA** series is ideal for industrial environments and installations where the fixture will be exposed to constant excessive temperatures or UV exposure. The operating temperature is from -22°F up to 104°F (-30°C to 40°C).

■ ordering logic

Series	Head #	Voltage / Wattage	Options
SRA	1 (single head)	See lamp selection	LC (less canopy)
	2 (double head)		CC (custom color - specify)
	3 (triple head)		*TC (teflon [®] coated lens)

NOTE: *Teflon[®] is a registered trademark of DuPont[™]. Not available with LED lamps.
