■ SRE - PAR36 recessed emergency remote

The **SRE** series of remotes are designed to be recess mounted into ceilings; providing a clean, unobtrusive lighting solution. A surface mounted version, complete with a steel mounting box is also available. The gimbal mounting allows the lamp aiming to be adjusted in any direction. The **SRE** is supplied standard in a white finish. The operating temperature is from -22°F up to 104°F (-30°C up to 40°C).

■ ordering logic
