■ btmr - mr16 surface emergency remote

The BTMR series is a die-cast aluminum emergency lighting remote that features a powerful MR16 lamp. The BTMR series are supplied standard in a white finish. The advanced rotary collar design locks the lamp and internal fixture parts into place while allowing for simple lamp replacement. The rotary collar system features a friction lock fully adjustable swivel - no tools are needed to aim the lamp. The operating temperature is from -22°F up to 104°F (-30°C to 40°C).
