

FEBRUARY PROMOTIONS

Take advantage of three February promotions designed to help you win more this month: **free shipping**, **extra commission** and **100% overage**.

1) For the duration of the Olympic Games and continuing through March 31, we're providing extra support on VESTA Inverters to help you close larger, higher-value projects. Through this promo, VESTA inverters qualify for a 10% commission boost (5% → 15%, 10% → 20%, 15% → 25%), plus free ground shipping. **ENTER CODE E10** to qualify.

2) Through the month of February, this promotion offers 100% overage paid at 5% commission on qualifying orders. The program applies to products normally priced at the 5% / 10% / 15% commission levels and excludes VESTA inverters, which are part of the Go for the Gold promotion.

3) From now through the end of February, qualifying orders shipped within the continental U.S. are eligible for free ground shipping when using **PROMO CODE FREESHIP**. This promotion excludes inverters, except Vesta, and hazardous location products.
