Most economical and versatile LED exit sign in a single SKU: red and green letters, single and double panels and universal mounting - Ideal for use on any job, big or small

A Beghelli "Every Project" Solution

internal

- Ultra bright, energy efficient, long life LED
- Dual 120/277V
- 1.2V Long life, maintenance-free, rechargeable Ni-Cd battery
- Internal solid-state transfer switch automatically connects the internal battery to LED board for minimum 90-minute emergency illumination
- Fully automatic solid-state, two rate charger initiates battery charging to recharge a discharged battery in 24 hours
- Charge rate/power "ON" LED indicator light and push-to-test switch for mandated code compliance testing

external

- Injection-molded, engineering grade, 5VA flame retardant, high-impact resistant, thermoplastic in standard white finish, black finish is optional
- Architectural curved face with rounded corner design
- Field selectable chevrons

universal mounting

- Quick-mount canopy included for top or end mount
- Universal knockout pattern on back plate for wall mount
autotest option (SA operation only)

- Autotest performs monthly, bi-annual and annual testing per code
- Available only in dedicated Red or dedicated Green letter models
- Universal 120-277V

dimensions

5.5"   4.6"   7.9"   7.1"   11.6"   1.6"

weight: 1.3 lb
